### Withdrawal

In the event a student is withdrawn from CCS, all fees are non-refundable and non-transferable. When a student is withdrawn after June 15th for the upcoming school year or during the current academic year, the total tuition balance will be calculated as the sum of:

- A fixed 6% of the full annual tuition.
- The prorated tuition amount based on the actual number of days the student is enrolled.

This out-of-pocket balance may differ from the original financial agreement. Please note that parents/guardians are financially responsible for tuition and fees in excess of prorated scholarship amounts, including Choice Scholarships, etc.
